

## Festival Catalog

The catalog for the Wisconsin Sheep & Wool Festival is a resource publication of 100+ pages that contains information about fiber arts classes, youth activities, sheep shows, competitions, vendors, auctions, displays and attractions at the Festival. The event is a function of the Wisconsin Sheep Breeders Cooperative, a regional organization of sheep producers, fiber businesses, artists and educators, whose membership directory is included in the catalog, along with advertisements of local and national companies pertaining to sheep and fiber.
